They will advise you on menu options, florists, photographers, decorators, and more.

CEREMONY

Your guests and loved ones will be comfortably accommodated in Morgenhof's Chapel to witness your union. The Chapel can accommodate up to 130 guests, and our smaller Chapel, with a natural stone floor, named "The Perdestal" can seat up to 60 guests.

RECEPTION

Guests will be able to choose from a variety of wedding venues for your reception – all venues are surrounded by the estate's uniqueness and picturesque landscape. You will be treated to Morgenhof Wine Estate's fine catering and fine wines.

ACCOMMODATION

Morgenhof Wine Estate Manor House was the building which replaced the old farmhouse, as the main residence was restored as an exclusive manor house. The house has been restored as authentically as possible to its 1830 state. At ground level there are two luxury suites, a spacious entertainment room, a dining room and a kitchen. In the attic section there are three luxury bedrooms. The ceiling beams are made of wild pear and ironwood.

The manor house lends itself as a perfect venue for the bride to get ready for the ceremony as well as for the bridesmaids. It is a mere 2minute walk to the ceremony and reception, which makes this ideal and convenient. It also provides accommodation to the bride and grooms' family. The manor house has its own self catering kitchen, braai facilities, swimming pool and each bedroom has an en suite bathroom. In the evening we transform your room into a romantic setting for the bridal couple and in the morning you are treated to a champagne breakfast in our restaurant.
